Dear Parents,

The UWL Junior Eagle Developmental Gymnastics Program is looking forward to providing children in the Coulee Region with the best gymnastics in a fun, safe and progressive environment. Gymnastics will be provided on vault, bars, beam, floor, trampoline and dance. We follow the USAG levels within the structure of classes and will be evaluating all students during their first class.

Instructors in our program will primarily consist of UWL gymnasts who have been involved with the sport of gymnastics for 12 or more years.

The Fall 2019 session of Junior Eagle Gymnastics runs from September 10th - November 16th. All students who wish to enroll must complete the registration form and return with payment in full by September 3. We cannot process incomplete registration forms. All information requested must be provided. All students (returning and new) must also complete the emergency contact information. Late registration will only be allowed if the class is not full, and the instructor to student ratio is 1:6 or less. Class availability updates are posted at [www.uwlcamps.com](http://www.uwlcamps.com). Full payment should accompany all registrations.

All classes will be held in our new facility in Cartwright Center on the UWL Campus this Fall Semester (campus map available at [www.uwlax.edu/map](http://www.uwlax.edu/map)). Classes will be limited in size to ensure a 1:6 instructor to student ratio. Read the discount and cancellation policies, as well as make-up information carefully on the other side.

If you have any questions concerning registration procedures, contact the Camps & Clinics Office via email or visit the website at [www.uwlcamps.com](http://www.uwlcamps.com) or by phone at 608.785.8193.
